

What's next after AWS re/Start?

Get inspired for what's next after graduation by [hearing from two AWS re/Start graduates](#)

[Links to an external site.](#) who successfully joined Accenture after their program was complete.

As you get ready to earn your AWS Certified Cloud Practitioner, be sure to take advantage of the [exam preparation materials Links to an external site.](#) available on the AWS website. These resources will help supplement the hands-on experience you've gained throughout the AWS re/Start program.

Great job, you're so close to a new adventure!

Happy learning!
