

AWS Skill Builder

At the core of the lesson

You will learn how to access free resources on AWS Skill Builder.

What is AWS Skill Builder?

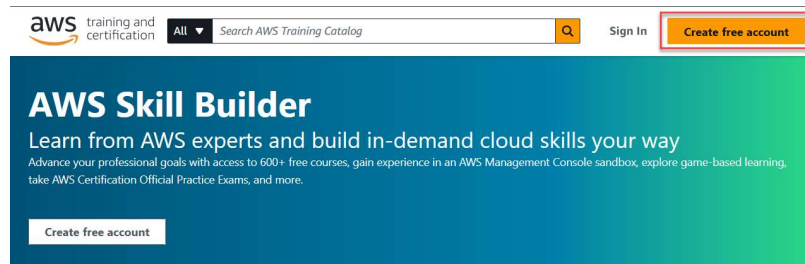

AWS Skill Builder is an online learning center where you can learn from AWS experts and build cloud skills online. Skill Builder has free offerings that can help you prepare for the AWS Certified Cloud Practitioner exam.

Note: You need an Amazon account to sign up for Skill Builder.

Signing up for AWS Skill Builder (1 of 4)

1. Navigate to the AWS Skill Builder website at <https://skillbuilder.aws/>.
2. Choose **Create free account**.

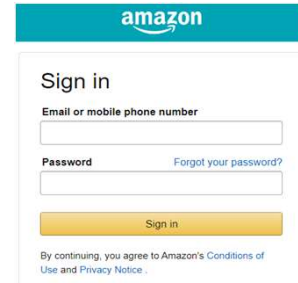

Signing up for AWS Skill Builder (2 of 4)

3. Choose **Login with Amazon**.

4. If you have an Amazon account, enter your Amazon account email address and password, and choose **Sign in**. Then go to step 7.

If you do not have an Amazon account, choose **Create your Amazon account**, and continue to step 5.

A screenshot of the Amazon sign-in page. At the top is a teal header with the "amazon" logo in white. Below the header, the text "Sign in" is centered. Underneath, there are two input fields: the first is labeled "Email or mobile phone number" and the second is labeled "Password". To the right of the password field is a link that says "Forgot your password?". Below the input fields is a yellow "Sign in" button. At the bottom of the form, there is a small line of text: "By continuing, you agree to Amazon's Conditions of Use and Privacy Notice .", with "Conditions of Use" and "Privacy Notice" as links.

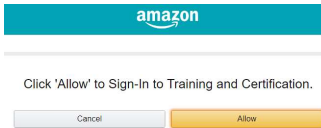

Signing up for AWS Skill Builder (3 of 4)

5. Enter your name, email address, and password. Then choose **Create your Amazon account**.
6. To verify your email address, enter the one-time password that you received in your email. Then choose **Create your Amazon account**.

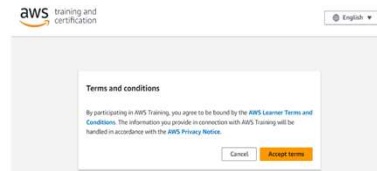

The image displays two sequential steps of the Amazon account creation process. The left screenshot, titled 'Create account', features the Amazon logo at the top and a form with three main input sections: 'Your name' (with a sub-label 'First and last name'), 'Email', and 'Password' (with a sub-label 'At least 6 characters' and a note 'Passwords must be at least 6 characters'). Below the password field is a 'Re-enter password' section. A yellow button labeled 'Create your Amazon account' is positioned below the re-enter password field. At the bottom, there is a link 'Already have an account? Sign in'. The right screenshot, titled 'Verify email address', also features the Amazon logo. It states 'To verify your email, we've sent a One Time Password (OTP) to:' followed by a greyed-out email address and a '(Change)' link. Below this is an 'Enter OTP' field and a yellow button labeled 'Create your Amazon account'. A note at the bottom states 'By creating an account, you agree to the terms and conditions below.' with a 'Resend OTP' link. Both screenshots have a footer with 'Amazon Terms' and 'Privacy' links, and a copyright notice '© 1996-2023, Amazon.com, Inc. or its affiliates'.

Signing up for AWS Skill Builder (4 of 4)

7. Choose **Allow**.

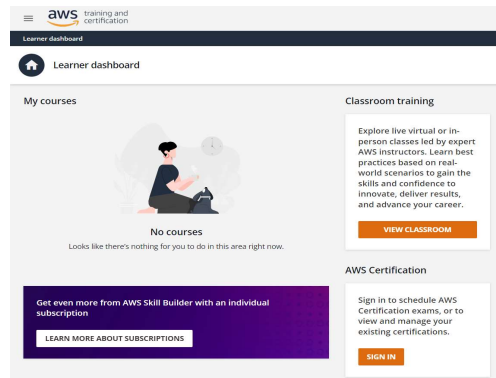

8. Choose **Accept terms**.

Learner dashboard

You now have access to your **Learner dashboard**.

Your Learner dashboard lists any courses you have registered to take. You can also browse and search for courses here.

AWS Skill Builder resources

The following resources on AWS Skill Builder will help you prepare for the AWS Certified Cloud Practitioner exam and are available for free:

- AWS Certified Cloud Practitioner Official Practice Question Set
- AWS Cloud Practitioner Essentials
